General Information - I understand that only certain types of distributions are eligible for rollover treatment and that it is solely my responsibility to ensure such eligibility. By signing below, I affirm that the funds I am rolling are in fact eligible for such treatment. I authorize these funds to be transferred into my employer's Plan and to be invested according to the information specified in the Investment Option Information section. I understand and agree that this account is subject to the terms of the Plan Document.

If the investment option information is missing or incomplete, I authorize Service Provider to allocate the rollover assets ("assets") the same as my ongoing contributions (if I have an account established) or to the default investment option selected by the Plan (if I do not have an investment election on file). If no default investment option is selected the Plan, the funds will be returned to the payor as required by law. If initial rollover or additional assets from the same provider are received more than 180 calendar days after Service Provider receives this Incoming Rollover form (this "form"), I authorize Service Provider to allocate all monies received the same as my most recent investment election on file with Service Provider. I understand I must call the Voice Response System at 1-866-437-3774 or access the Web site at www.mypersi401k.com in order to make changes or transfer monies from the default investment option. I understand that this completed form must be received by Service Provider at the address provided on this form. Assets will not be invested until after approval is granted. Forms and documentation received after market close will be reviewed for approval the following business day.

I understand that the current Custodian/Provider may require that I furnish additional information before processing the transaction requested on this form, and Service Provider is not responsible for determining the status of any transaction that I have requested. It is entirely my responsibility to provide the current Custodian/Provider with any information that they may require, and/or to notify Service Provider of any information that the current Custodian/Provider may wish to obtain in order to effect the transaction.

Withdrawal Restrictions - I understand that the Internal Revenue Code and/or my employer's Plan Document may impose restrictions on rollovers and/or distributions. I understand that I must contact the Plan Administrator/Trustee, if applicable, to determine when and/or under what circumstances I am eligible to receive distributions and make rollovers.

Investment Options - I understand and acknowledge that all payments and account values, when based on the experience of the investment options, may not be guaranteed and may fluctuate, and, upon redemption, shares may be worth more or less than their original cost. I acknowledge that investment option information, including prospectuses, disclosure documents, and fund profile sheets have been made available to me and I understand the risks of investing.

Account Corrections - I understand that it is my obligation to review all confirmations and quarterly statements for discrepancies or errors. Corrections will be made only for errors which I communicate within 90 calendar days of the last calendar quarter. After this 90 days, account information shall be deemed accurate and acceptable to me. If I notify Service Provider of an error after this 90 days, the correction will only be processed from the date of notification forward and not on a retroactive basis.

Outstanding Loan Balance - An outstanding loan balance cannot be included in the transfer/rollover. However, you may pay off the outstanding loan balance *before* this transfer/rollover is submitted. After the loan is paid off, you may submit this transfer/rollover request. If you do not pay off the outstanding loan balance, you may transfer/rollover only the cash value (not including the loan) from the contract that has the outstanding loan.

In the event that a rollover contribution is made that can not be accepted, the rollover contribution will be made payable to and returned to the issuer.

Examples of contributions that can not be rolled over:

Any required minimum distributions (i.e. amount being paid to you because you are age 70 1/2 or older)

Distributions that are a series of periodic payments (made at least annually and paid to you over your life expectancy or the life expectancy of you and your beneficiary) or for a period of at least 10 years.

Review decisions related to your qualified plan distribution with your financial advisor or your tax advisor.

If Electing a Direct Rollover

For a Direct Rollover from a Traditional IRA please note: The maximum amount eligible is the total amount of your deductible IRA contributions plus earnings. Non-deductible IRA contributions may not be rolled over. If your rollover amount was held in a conduit IRA and you were born before January 1, 1936, you may be eligible for capital gains treatment. In this instance, you may want to track these rollover amounts in order to be eligible for favorable tax treatment. If the amounts were from a SIMPLE IRA, you would have had to participate in the SIMPLE IRA for a minimum of two years.

If Electing a Regular 60-Day Rollover

If choosing a Regular 60-Day Rollover, remember to send a copy of the check stub from the previous provider, showing the amount of distribution and withholding.

Please Note: If you are making a “Regular 60-Day Rollover” under Federal Regulations, you have 60 (sixty) days from the date you receive your distribution to make a rollover contribution. After 60 days, Service Provider cannot accept your rollover contribution. It is your responsibility to ensure that Service Provider receives all required documentation AND your rollover contribution prior to the expiration of the 60-day period. There are no exceptions to the 60-day rule. You will be responsible for any income tax or tax penalties for failure to meet the 60-day rule for rollover contributions when information is not provided and the rollover contribution is not made within the 60-day period.
