SCAM ALERT

Boise, Idaho – January 25, 2018

PERSI has been contacted by the local United Healthcare (UHC) representative, with the following information:

UHC has reports from retirees that they are receiving phone calls from individuals impersonating UHC representatives and asking for the Social Security Number (SSN) that they use for sick leave account billing. UHC would not call and ask for this information and is urging retirees not provide this information. Members wanting to talk to a UHC representative can call Angela Marchese at 208-914-2256.
