## **Online PERSI training NOW AVAILABLE!!**

### **Boise, Idaho – June 5, 2020**

Until such time as it becomes prudent to resume face-to-face group workshops, PERSI is offering live (on-line), webinar-style workshops designed specifically for members in various stages of their careers.

“Ready” workshops are for anyone just starting a career with a PERSI employer. READY workshops provide a general overview of what PERSI is and the benefits it provides for PERSI members.

“Set” workshops are intended for those in mid-career with a PERSI employer. SET workshops focus on how vesting changes PERSI benefits and things to consider in planning for retirement.

“Go!” workshops are designed for late-career PERSI members who may be approaching or contemplating retirement. Note: To protect your personal information, PERSI trainers are no longer able to provide workshop attendees with personalized benefit estimates. Members can still obtain benefit estimates through the *myPERSI* portal or by calling the PERSI Answer Center at 1-800-451-8228 or (208) 334-3365.

Employers, if you are interested in hosting workshops for your staff please contact PERSI Trainers at [workshops@persi.idaho.gov](mailto:workshops@persi.idaho.gov) or (208) 287-9291.

Members, ask your employer to schedule a workshop for your team, or check the [PERSI workshop registration page](#) and register for any “OPEN” workshop that meets your needs and schedule!

If you have a question, please call the PERSI Answer Center at 1-800-451-8228 or at 208-334-3365.
