## **Blue Cross Billing Notice Error Boise, Idaho – June 22, 2016**

PERSI has received a number of calls from members regarding a recent billing notice from Blue Cross, stating that PERSI would not be paying insurance premiums out of their unused sick leave account, or PERSI retirement benefit. PERSI has talked with Blue Cross and these letters were generated in error. Their billing cycle is different from our payment cycle and sometimes these letters get mailed out by mistake. PERSI members who received this recent billing notice from Blue Cross can ignore the bill as we will continue to pay their premiums out of their sick leave/benefit.
