Explanation of Reemployment Provisions

- Idaho Code § 33-1004H permits school districts to employ certain retirees who are receiving PERSI benefits as bus drivers.
 - Idaho Code § 59-1356(4) permits such reemployed bus drivers to elect to continue receiving retirement benefits and not accrue additional PERSI service.
 - Retired members who elect to return to work under these reemployment provisions will **not** make contributions to PERSI and will **not** accrue additional service credit.
 - Any additional sick leave accrued **will not** be converted to unused sick leave under Idaho Code § 33-1228.
- Note:** Employer contributions by school districts are required for retired members who are reemployed under Idaho Code § 59-1356(4).

Conditions for Eligibility to Participate in Reemployment Program

- The reemployment program applies to school districts or charter schools which provide instruction to students in grades kindergarten through 12, or any combination of kindergarten through 12.
- A reemployed retired member must be employed as a bus driver.
- A reemployed retired member must have retired with a benefit that was unreduced either because the member had attained service retirement age or met their Rule at the time of retirement.
- A reemployed retired member must have retired on or after May 1, 2021.
