BOISE-ROAD CONSTRUCTION

Capital City Development Corp (CCDC) has started a major road construction project (work done by McAlvain Construction) in Boise on 8th Street between State Street and W. Franklin Street.

This construction is limiting access to the PERSI office from 8th Street. You will still be able to access the PERSI office and member parking by turning onto W. Washington off 9th Street.

AGING BETTER!

PERSI is excited to begin sharing information from the **Idaho Commission on Aging (ICOA)**. The ICOA assists older adults and people with disabilities to remain independent, avoid institutionalization and age in place in their own homes and communities of choice. They offer numerous resources to support Idahoans as they age.

On ICOA's website, <https://aging.idaho.gov/>, you can find a map of Idaho in the lower left corner (example shown below). The state is sectioned into six (6) Area Agency on Aging (AAA). By selecting your area, you will be directed to a webpage for that AAA. You will be able to explore programs and services specific to your community.

In future newsletters, ICOA will share information about scams, staying connected through one of the many senior centers around Idaho, and other topics impacting seniors.

Visit the Idaho Commission on Aging's website and begin exploring information that may help you!
