### **Boise, Idaho – December 5, 2025**

The regular interest rate members will earn on their personal Base Plan accounts was recently announced. From January 1, 2026, through December 31, 2026, members will earn 9.68%.

Interest on member account balances are determined annually by a formula established in PERSI rules. Employee contributions go directly into individual accounts. The money and any interest earned belongs to the member and is not impacted by market conditions.
